

701 Cocoa Avenue  
Hershey, PA 17033

October 18, 2017

To our Library Community:

Hershey Public Library is supported by many generous volunteers and organizations. This year we're long overdue to celebrate National Friends of the Library Week from October 16<sup>th</sup> through the 20<sup>th</sup>. The week includes a membership drive, a raffle drawing, a tea and pastry event for Friends members and will conclude with an Edible Book Contest! What is an Edible Book Contest? Think of a book title and create a cake! We're so excited to see what creative and pun-ny creations people submit to the event!

This celebration really hopes to highlight how grateful we are to the Friends of the Hershey Public Library and how their support has brought notable programs to our community for decades. Their unwavering commitment to bettering our community through library services is remarkable and rare. As Hershey Public Library looks toward the future we're happy to have our Friends and the Hershey Public Library Endowment Trust by our side.

Kindly,

Laura O'Grady
