

The following standard safety procedures will apply to the events held as part of the STREAM Team program. Participants must adhere to these rules and practice acceptable behaviors to make this area a safe and fun environment to learn about science.

Safety Rules:

1. Protective equipment should be used at the direction of the instructor.
2. Participants must not handle equipment and supplies until given instruction to do so from the instructor.
3. If there is a spill, notify the instructor and he/she will determine how to clean it up.
4. If there is broken glass, notify the instructor and he/she will determine how to clean it up.
5. Dispose waste as directed by the instructor.
6. Be safe! Always ask the instructor if you are unsure of what to do.

To the Parent/Guardian

We have read, understand, and agree to follow the safety rules and procedures as written in this document.
